

# Crisis Care Kits – Updated 11/14/2021

It is our privilege as Nazarenes to help people around the world who need assistance with the help of Crisis Care Kits! Because disaster hits unexpectedly, we strive to keep CCK warehouses fully stocked to be able to send at a moment's notice.

It has come to our attention that customs **stopped** a few pallets of CCK's from entering various countries because what is listed on the manifest does not match what is actually in the box. It is **our** responsibility to ensure that each kit we pack matches **EXACTLY** what is listed below.

- One (1) 2-2.5 Gallon Sized Ziplock Bag with Seal
- One (1) medium-size bottle of shampoo (12-18oz) **Please tape flip-top lids closed**
- Two (2) individually packed bars of soap (bath size or larger)
- One (1) Tube of Toothpaste (4-6.4oz)
- Three (3) Toothbrushes in original packaging (toothbrushes outside of original packaging will have to be replaced)
- One (1) Box of Band-aids (count 30 or more)
- One (1) Adult Sized Fingernail Clipper (toenail clipper will be rejected)
- One (1) Sturdy Hair Comb (pictured here for reference)
- Two (2) Hand Towels (20"x30")
- Four (4) Pocket Sized packages of tissues/Kleenex
- One (1) Beanie Baby sized Stuffed Animal (No smaller than 5" and no larger than 6")

Six (6) completed CCK's will fit in each banana box. **For each full banana box, please send \$12.00 to the following address:**

Global Ministry Center Attn: General Treasure

17001 Prairie Star Parkway

Lenexa, KS 66220
